

## Save on Prescription Medicines

Need prescription drugs, but don't have insurance? United Way of Kern County, in partnership with Membership Services Corporation and pharmacies throughout the county, can help.

Save an average of 20% on prescriptions with the FamilyWize Prescription Drug Discount Card. The card has no usage or age limits, income requirements or registration forms, and can be used immediately to reduce the cost of medicine for anyone who has no prescription drug coverage. The greatest discounts are available on generic drugs. Cards may not be used in combination with health insurance benefits.

Cards are available free of charge from United Way or the following participating pharmacies. Or [CLICK HERE](#) to print a card. For more information, call United Way at 661-834-1382.
